

Fundraising volunteers needed!

Nursery budgets are increasingly tight. We're continuing to provide outstanding learning experiences for our children and there are a number of investments we'd like to make that just aren't covered by our current budget.

We would like to establish a team of volunteers who will plan, coordinate and facilitate fundraising events throughout the nursery year. Do you have experience of organising events (big or small) and enjoy working as part of a team? Are you interested in learning more about managing projects and getting some valuable experience for your CV? Are you brimming with ideas of different ways we could raise more money? We want to hear from you!

We are also looking for a volunteer who can assist in sourcing, writing and submitting fundraising bids to a number of different funders. Ideally, this would be someone who has professional experience in this field but voluntary experience is also very welcome!

Volunteers will be supported by the Governors Finance Committee.

Please get in touch with Jackie on:
admin@newbridgenursery.reading.sch.uk for more information. We look forward to hearing from you.
