

New Bridge Pupil Premium Impact tracker 2019 -2020

Income Received 2019- 2020: £3,600 (no funding received yet for summer term 2020)

Term	Intervention	Cost	Impact																																									
Autumn	Additional staff to support children starting nursery - to ensure wellbeing and embed PSED and self-regulation skills.	£1,847	Children have settled very quickly into nursery and are quickly able to engage with the environment and the learning opportunities available to them.																																									
Started Autumn - but carried on all year	Bucket time sessions introduced across the setting to support those children who struggle to access the curriculum	£307	Bucket time session are rolled out across the setting - these are targeted and also carried out with larger groups. Listening and attention skills have improved for individual children and they have made progress against their SALT targets.																																									
Spring	Living eggs - additional experiences for children who were able to observe and follow the hatching and growing of chicks.	£175	To provide a wide range of experiences for all children to support their understanding of life cycles and living things. To give children wider experiences and to add interest to the curriculum, developing the sense of awe and wonder.																																									
Spring	Access to lunch club/ extended services /additional hours in nursery to support particular children and their families.	£92	Support families with providing an enriching home learning environment.

Total		£2,421																																										

*The underspend is due to reductions in school opening from March 2020 due to COVID-19. Outside providers had

been booked to provide a range of sporting activities throughout the summer term, to encourage children's physical development.
